Supplications

- ~~~~~
- Pray for Canada. Over the past several decades, Canada has turned away from the Christian faith and culture upon which it was founded, and in recent years this has intensified, with growing hostility and opposition toward the Christian faith. The recently discussed Bill C-9 in Parliament proposes that certain passages of the Bible be regarded as hate speech and be subject to regulation. May God have mercy on Canada, grant repentance, and lead the nation back to the Christian foundation on which it was established.
  - Please pray for the following church ministries:
    - The University and High School Graduation Dinner will be held on the evening of Aug 2 (Sunday).
    - Church Youth Retreat Camp will be held from August 25-27.
    - 2026 Evangelistic Rally themed “Where Is True Freedom Found?” (Mandarin preaching) will be held from Aug 27 (Thursday) - 29 (Saturday).
  - Pray for the following people:
    - Samuel's mother and her ongoing health struggles.
    - Solomon's wrist pain.
    - Auntie CJ, as she adjusts to her new role, transitioning from full-time to part-time ministry.
    - Lesley, as she serves as a ministry intern at our church during her seminary training.
    - The wedding of Nick & Lesley in mid-August and Sam & Tin-Yan at the end of August.

Bible Verse Memorization

1 Peter 2:17 (ESV)  
Honor everyone. Love the brotherhood. Fear God. Honor the emperor.

Westminster Shorter Catechism:  
Q64. What is required in the fifth commandment?  
The fifth commandment requires us to preserve the honour and perform the duties belonging to everyone in their different positions and relationships in life.

Spiritual Wisdom and Profound Sayings

If you wish to be free and see how gracious the Lord is, you must be stripped of everything and must bring to God a heart that is pure. You certainly cannot do this unless his grace precedes and leads you on, enabling you to dismiss all others immediately, and then, when you are left alone, be joined to God alone. For when the grace of God comes to a man, he finds himself able to do all things, but when it leaves him, he is poor and weak, and abandoned to the lash of misery. At such times he must not give way to depression or despair, but wait calmly for the will of God, and bear all that happens to him so that Jesus Christ is praised. For after winter comes summer, after night comes day, and after the storm great calm.  
- The Imitation of Christ by Thomas à Kempis

This Week in Church History...

Pope Sixtus II martyred — August 6, 258  
This week marks the anniversary of when Pope Sixtus II was killed along with a few deacons for his beliefs while overseeing a worship service in the catacombs of Rome.

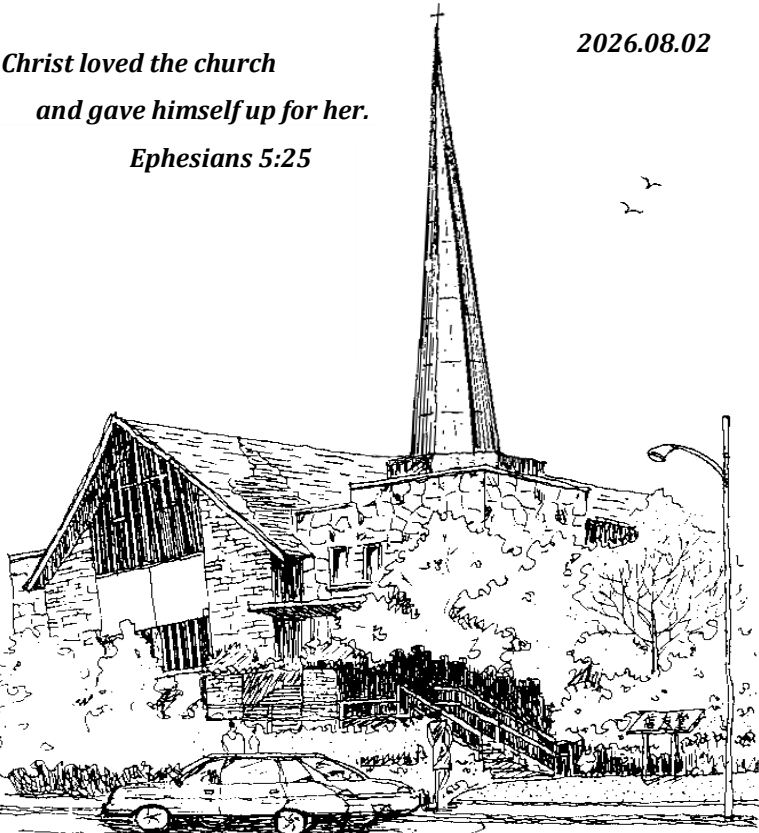

Roman Emperor Valerian had issued a decree the year before mandating that Christians take part in pagan rituals or be prohibited from holding worship assemblies.  
“While seated on his chair in the act of addressing his flock he was suddenly apprehended by a band of soldiers,” explained the Catholic website New Advent. “There is some doubt whether he was beheaded forthwith, or was first brought before a tribunal to receive his sentence and then led back to the cemetery for execution. The latter opinion seems to be the more probable.”

British medical missionary arrives in Canada – Aug. 4, 1892  
This week marks the anniversary of when English medical missionary Wilfred Grenfell arrived in Canada, where over the course of multiple decades he would help build hospitals, churches and orphanages.

Grenfell traveled to Labrador and Northern Newfoundland, centering his charitable efforts on helping the coastal communities of fishermen who lacked basic healthcare resources.  
“[Grenfell] raised funds to build hospitals, the first situated at Battle Harbour on the Labrador coast, near the Strait of Belle Isle, as well as to purchase sailing vessels for travel up and down the coast and to recruit staff to help him,” explained the modern day International Grenfell Association.  
“Over the course of the next twenty years he set up cooperatives, provided religious services, established a handicrafts and industrial unit, built orphanages and schools, and encouraged healthier eating by growing vegetables and even introduced a reindeer herd to provide extra meat.”
