Supplications

- ~~~~~
1.

Pray for Canada. Over the past several decades, Canada has turned away from the Christian faith and culture upon which it was founded, and in recent years this has intensified, with growing hostility and opposition toward the Christian faith. The recently discussed Bill C-9 in Parliament proposes that certain passages of the Bible be regarded as hate speech and be subject to regulation. May God have mercy on Canada, grant repentance, and lead the nation back to the Christian foundation on which it was established.
2.

Please pray for the following church ministries:

a.

The University and High School Graduation Dinner will be held on the evening of Aug 2 (Sunday).

b.

c.

Bible Verse Memorization

Exodus 20:11 (ESV)

For in six days the Lord made the heavens and the earth, the sea, and all that is in them, and rested on the seventh day. Therefore the Lord blessed the Sabbath day and made it holy.

Westminster Shorter Catechism:

Q62. What are the reasons attached to the fourth commandment?

The reasons attached to the fourth commandment are God’s allowance of six days for worldly tasks, his claim to special ownership of the seventh, his own example, and his blessing of the sabbath day.

Spiritual Wisdom and Profound Sayings

Your Beloved won't let a rival in, he wants your heart to himself, and to rule there like a king on the throne that is his right. If you knew how to empty your house of created things, Jesus would be glad to dwell with you.

Anything you give to the world and not to Jesus, you will find is almost a total loss. Do not lean on the reed that bends with the wind, and do not trust it—all mortal things are like grass, and all their glory like the bloom of grass that falls. If you look for Jesus in everything, you will find Jesus; if you look for yourself, you will find yourself, and that will lead to your destruction. A man who fails to look for Jesus does himself more harm than the whole world and all his enemies can.

This Week in Church History...

The Great Schism is finalized – July 20, 1054

This week marks the anniversary of when Patriarch Michael Keroularios of Constantinople decided to excommunicate all who supported Pope Leo IX’s claims of leadership over the entire church, thus finalizing what is commonly called “The Great Schism.” Keroularios was responding to a papal bull issued by the pope days earlier that excommunicated him for various reasons.

“They, in turn, excommunicated the libel, the Bull, and all who supported it but purposely did not mention the name of Pope Leo in order to leave open the opportunity of reconciliation,” wrote the Rev. George Mastrantonis.

The two sides of the Great Schism, the Roman Catholic Church and the Orthodox Church, never officially reconciled their theological differences and remain different denominations to the present day.

Buzz Aldrin takes Communion on the moon – July 20, 1969

This week marks the anniversary of when astronaut Buzz Aldrin, as part of the historic Apollo 11 lunar module landing, observed the sacrament of Holy Communion on the moon.

Aldrin was an elder at Webster Presbyterian Church, a congregation near Houston, Texas, and brought the elements with him for the famed space mission. As part of the ceremony, Aldrin read a verse from the Gospel of John: “I am the vine, you are the branches. Whosoever abides in me will bring forth much fruit. Apart from me you can do nothing.”

“It was interesting for me to think: the very first liquid ever poured on the moon, and the very first food eaten there, were the communion elements. And of course, it’s interesting to think that some of the first words spoken on the moon were the words of Jesus Christ, who made the Earth and the moon ...”
